

TUESDAY/WEDNESDAY NIGHT TWO-MAN LEAGUES

LEAGUE RULES

When: Every Tuesday or Wednesday

5:30 PM Shotgun Start

Pre-Season Starts March 16th/17th

Regular Season Starts May 4th/5th

Playoffs Begin August 3rd/4th

Structure: The leagues are 9-holes and comprised of two-man teams. Each team will have the option to have one alternate. The golf ball will be played down throughout the golf course in 2021. Each league will be split into two separate divisions (with a maximum of 10 teams in each division). The three teams from each division with the highest cumulative point total will qualify for the playoffs. There will also be two wildcard teams with the highest second half point total that don't qualify as a top seed.

Format: Each team will be comprised of an A and a B player. The A player will have the lower handicap and the B will have the higher. March and April will be used to establish each player's league handicap. 2021 League handicaps will only use league scores to establish and maintain a league handicap. Each week teams will have a match for a total of 18 points possible. The A players will have a net match for a total of 9 points (1 point per hole...halved holes are .5 points for each player). B players will play for the same 9 points.

No Shows: This information, as well as more detailed rules, will be given out the first night of league play. It will be available on the website as well
